

Eagle

Vision and Clarity

Eagle soars high above the land, seeing far and wide with sharp vision. He reminds us to rise above challenges and gain a clearer view of life.

*Animals
& Nature*

Eagle

- Can you share about a time when you had to see clearly in a confusing situation, like the eagle high above?
- What was your first memory of seeing an eagle or hearing about it in stories?
- How have you learned to “see the bigger picture” in life?
- Who in your family has been like an eagle, guiding with vision?
- How do you teach younger ones to look beyond the moment to see what’s ahead?

Bear

Strength and Courage

Bear is strong and steady, yet it also knows when to rest. Her courage reminds us to face life's struggles with both power and patience.

*Animals
& Nature*

Bear

- What story of courage from your life do you think of when you hear about the bear?
- Has there been a time you needed to protect someone the way a bear protects its cubs?
- How did you find strength when things seemed too hard to face?
- Which family stories remind you of bravery in hard times?
- What lessons about courage would you want the younger ones to remember?

Buffalo

Abundance and Gratitude

Buffalo once provided food, shelter, and clothing for entire communities. He is a symbol of plenty and a reminder to give thanks for life's blessings.

*Animals
& Nature*

Buffalo

- What is a story of plenty or generosity that you remember from your family or community?
- How did your family show thankfulness when good things were provided?
- What was one time in your life when you felt deeply grateful, even if it was simple?
- Do you remember stories of sharing food or resources when times were lean?
- How do you pass along the teaching of gratitude to the next generation?

Deer

Gentleness and Awareness

Deer moves softly through the forest, aware of every sound and shadow. Her gentle spirit teaches us the strength of kindness and alertness.

Animals
& Nature

Deer

- Can you tell of a time when gentleness was more powerful than force?
- Who in your life has reminded you of the quiet watchfulness of the deer?
- Have you ever had to notice small details to avoid danger or to help someone?
- What are some ways being gentle has kept peace in your family or community?
- What do you hope children today learn about being aware of others' needs?

Beaver

Determination and Cooperation

Beaver works hard,
building dams that create
safe homes and calm
waters. With steady effort
and teamwork, he shows
how much can be
achieved together.

Animals
& Nature

Beaver

- Can you tell about a time when working together built something strong in your family?
- Who have you known that never gave up, even when work was hard?
- What lessons about teamwork did you learn as a child?
- Do you remember a project or event where many hands made light work?
- How do you see cooperation making a difference in your community today?

Salmon

Renewal and Perseverance

Salmon swims upstream
against strong currents,
returning home to
continue the cycle of life.
He shows us the power of
perseverance and
renewal.

Animals
& Nature

Salmon

- Can you tell of a time when you had to keep going, even against great difficulty?
- What is a story of returning home or coming back after being away?
- Who in your family showed great perseverance, like the salmon swimming upstream?
- Have you ever started over after a challenge?
- How do you encourage younger ones to keep trying, even when the way is hard?

Owl

Wisdom and Seeing Beyond

Owl sits quietly in the dark, seeing what others cannot. He reminds us of the wisdom that comes with patience and careful listening.

*Animals
& Nature*

Owl

- What's a story where someone's wisdom changed the path of your life?
- Have you ever seen or heard an owl and what did it mean to you?
- Who in your family has had the gift of seeing what others could not?
- Can you share a time when listening to wisdom kept you from harm?
- How do you share wisdom with younger generations today?

Horse

Freedom and Partnership

Horse runs with powerful freedom, yet it also carries and partners with people. He teaches us the balance between independence and connection.

*Animals
& Nature*

Horse

- Do you have a story about riding or working with a horse?
- What lessons about freedom have you carried through your life?
- Who has been a strong partner for you, like a horse and rider working together?
- Do you remember family stories about horses and their importance?
- How do you see freedom and responsibility going hand in hand?

Sun

Life and Renewal

Sun rises each morning,
bringing warmth and light
to the world. He reminds
us of life's daily renewal
and steady rhythm.

*Animals
& Nature*

Sun

- What memories do you have of sunrises or sunsets that were special moments?
- How has the sun been important in your family's traditions or daily life?
- Can you tell of a time when a new day gave you hope after hardship?
- What does sunlight remind you of about family gatherings or celebrations?
- How do you see the sun as part of healing or new beginnings?

Moon

Rhythm and Reflection

Moon lights the night sky,
changing shape as it
moves through its cycles.
She reminds us of
reflection, rhythm, and
life's gentle changes.

*Animals
& Nature*

Moon

- What memories do you have of watching the moon with family or friends?
- Can you share stories of how the moon guided people at night?
- What lessons about cycles or seasons have you learned from the moon?
- Has there been a time when the quiet of the night helped you reflect?
- How do you pass along stories about the moon to the next generation?

Stone

Stability and Memory

Stones have been here for ages, holding the memory of the earth. They remind us of stability, endurance, and things that last.

*Animals
& Nature*

Stone

- Can you share a memory of a special stone or place that still holds meaning?
- What family stories feel as strong and lasting as stone?
- Who in your life has been steady like a rock, always there for others?
- Do you remember lessons about being dependable and firm?
- How do stones remind us to remember those who came before?

Water

Flexibility and Life

Water flows around obstacles, always finding its way. It gives life, refreshes, and teaches us to be both strong and flexible.

*Animals
& Nature*

Water

- What memories do you have connected to rivers, lakes, or the sea?
- Can you tell a story where being flexible helped you through a challenge?
- Who has been a life-giving presence for you, like water itself?
- Do you recall times when water was scarce or precious and how people managed?
- How do you teach children to respect and protect water today?

Mountain

Endurance and Perspective

Mountains stand tall and steady, weathering storms and seasons. From their height, we gain perspective and a sense of endurance.

*Animals
& Nature*

Mountain

- Can you tell of a time when you had to stand firm like a mountain?
- Have you ever climbed a mountain or hill that gave you a new view?
- Who in your life reminds you of a mountain, steady and unshaken?
- What stories of endurance do you carry from your family?
- How does stepping back and seeing from a higher view help in life?

Snake

Healing and Transformation

Snake sheds its skin,
letting go of the old to
grow into the new. He
reminds us of healing,
change, and
transformation.

*Animals
& Nature*

Snake

- Can you share a story of change or transformation in your life?
- What do you remember about the first time you saw or heard about snakes?
- Have you known someone who carried deep healing for others?
- Can you tell of a time when you shed an old way of living and began new?
- How do you see healing as more than just physical health?

Wind

Change and Unseen Power

The wind cannot be seen,
but it can be felt as it
moves the trees and
shapes the land. He shows
us the unseen power of
change and movement.

*Animals
& Nature*

Wind

- What memories do you have of powerful winds or storms?
- Can you share a time when unseen forces shaped your life?
- Who in your family has been like the wind, bringing change?
- Have you felt carried or pushed forward by events beyond your control?
- How do you remind younger ones that change can also bring growth?
